

Adjustable Halo

16444-02 & 16445-02

Create a compact, tangle-free balloon display anywhere in the store. Allows product to be stacked around the balloons to maximize space.

Pole height can be adjusted from 7 inches to 11 and 15 inches.

Features two base options:

- Flat base*
- 3-way base*

Eliminate Clutter and Tangling

Use ReelWeights® to float balloons low and eliminate tangling.

Place five 18-inch balloons around the halo and one SuperShape® in the middle. Or, float just four SuperShapes or Sing-A-Tune® balloons.

For the Bakery: Offer balloons that coordinate with the most popular decorated cakes or compliment seasonal bakery treats.
